My Fellow Republicans,

I am writing to express my support for Chief Deputy Alex Lape for the next Sheriff of Fairfield County. Alex Lape has worked at the Sheriff's Office for over 26 years. He has honestly and steadfastly served that organization and the citizens of Fairfield County. He has worked his way up through the ranks and was promoted to Chief Deputy. He is intimately familiar with all aspects of handling a large and complex organization and has proven to be up to the task since his promotion to Chief Deputy.

I have worked closely with Alex on numerous occasions. His "can do" attitude and willingness to collaborate closely with other agencies greatly enhances the safety of the citizens of Fairfield County. The relationships of the numerous law enforcement agencies in Fairfield County has never been better and Chief Deputy Alex Lape is a large part of that successful collaboration.

I can recommend Chief Deputy Alex Lape without any reservations.

Respectfully Submitted,

To Whom it May Concern:

I am writing in support of Alex Lape's candidacy for the position of Fairfield County Sheriff. In my previous capacity as chief of police for the City of Lancaster, I had many occasions to work closely with Alex. From planning a visit to Lancaster by a former president of the United States, to jointly investigating criminal cases of mutual interest, I have always found Alex to be very competent, eminently reasonable and highly professional.

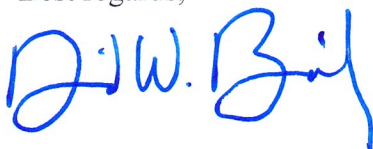

Chief Deputy Lape has served the Fairfield County Sheriff's office for over twenty-five years. He has been promoted to key positions of trust within that organization and now serves as the agency's executive officer. Because he has risen through the ranks of the office, he has acquired comprehensive knowledge regarding every aspect of the agency's operation. This is a huge advantage for the community and could do much to ensure a smooth transition.

Current employees of the agency have commented to me that Chief Deputy Lape is a kind and effective leader. His management style appears to unite, rather than divide employees. Alex has been mentored by Sheriff Phalen and has availed himself of the sheriff's extensive experience and wisdom.

Sheriff Dave Phalen will leave behind a considerable legacy upon his retirement. I can think of nobody more qualified to take over and continue that legacy of service than Alex Lape.

I urge you to support Chief Deputy Lape's candidacy for sheriff of our county.

Best regards,
