Violet Township Trustee

---

Fellow citizens of Fairfield County,

As a Violet Township Trustee, I have had the great privilege of working with Alex Lape as a Lieutenant and Chief Deputy of the Fairfield County Sheriff's department. Alex has always represented the highest standards in quality law enforcement. He follows through using a solution-oriented approach in a very fair and equitable manner. Alex possesses excellent verbal and written communication skills and genuinely likes to help others.

I have also known Alex as a member of the Fairfield County Republican Party Executive Committee. He is a man of integrity that lives the life of a servant leader. Alex has strong critical thinking skills, is open minded and welcomes other opinions before he formulates a final decision. Alex is also a natural at building relationships, has a love of learning and is always willing to accept a new challenge.

Alex Lape has unmatched practical experience within the Fairfield County Sheriff's office. His professional and personal characteristics make Alex Lape the best choice to naturally progress from Chief Deputy to serve as Fairfield County's next sheriff. Please join me in supporting Alex Lape to be our next Sheriff on Election Day.

Sincerely,

Darrin Monhollen
